Office of the Governor

Executive Order No. 91-137

Establishing a Master Trooper Class Within the Kansas Highway Patrol

WHEREAS, Article 1, § 3 of the constitution of the State of Kansas vests the supreme executive power of the State in the Governor;

WHEREAS, K.S.A. 75-2938 provides for the Governor's approval of job classes in the classified service;

WHEREAS, due to the present classification structure, the only opportunities that exist for career advancement within the Kansas Highway Patrol are through promotion into the supervisory and management ranks;

WHEREAS, many troopers have no desire to leave the enforcement side of this occupation;

WHEREAS, a career ladder is necessary to provide career advancement opportunities to troopers who desire to remain in the "patrol," non-supervisory, function of Kansas Highway Patrol;

WHEREAS, the Kansas Highway Patrol has proposed a career ladder which provides for a new Master Trooper class which may be available to qualified Highway Patrol Trooper II incumbents that have at least 10 years of experience with the patrol and who have mastered a technical area of law enforcement;

WHEREAS, a new Master Trooper class will provide

an alternative career path for patrol members who do not wish to promote to management positions;

WHEREAS, the implementation of a complete career ladder which includes a Master Trooper classification will benefit the Highway Patrol and citizens of the State of Kansas by providing for the retention of highly qualified and experienced troopers in the field of enforcement;

NOW THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, there is hereby established a Master Trooper classification within the career ladder of the Kansas Highway Patrol. The superintendent of the Highway Patrol shall provide the Director of the Budget and Director of the Division of Personnel Services with fiscal data on the costs and potential funding options relating to the use of the Master Trooper job class. Utilization of the new Master Trooper job class shall be effective upon approval of an executive directive assigning the Master Trooper job class to an appropriate salary range.

This order shall be filed with the Secretary of State as Executive Order No. 91-137 and shall take effect immediately.

Dated July 16, 1991.

Social and Rehabilitation Services

Request for Proposals

The Department of Social and Rehabilitation Services is soliciting grant proposals from private and public agencies for the provision of training services for individuals recruited by counties to act as attendants in the county operated youth attendant care program. The proposals must provide up to five, two-day regular training sessions; up to three, one-day refresher sessions; and one, two-day coordinator's retreat during the period October 1, 1991, to September 30, 1991.

The request for proposals is available from the Grants Program Administrator, SRS Youth Services, Smith/Wilson Building, 300 S.W. Oakley, Topeka 66606, (913) 296-2017. Responses to the request are due no later than 5 p.m. August 30.

Notice of Medicaid State Plan Amendment

An amendment to the Medicaid State Plan Attachment 4.19D, Part II is being submitted to the federal department of Health and Human Services, Health Care Financing Administration, that will affect reimbursement for private intermediate care facilities for the mentally retarded (ICFs/MR). In addition to a number of technical changes, including a revised financial and statistical report, ICF/MR reimbursement limits are established based on the level of care of the clients. Per diem rates are also established for ICF/MR cost centers. These changes are being made to tie reimbursement more directly to the reasonable costs of providing services. The estimated increase in annual aggregate expenditures is \$1.5 million.

Copies of the proposed changes will be available for review by contacting the local SRS office in each county or from Mental Health and Retardation Services, 5th Floor North, Docking State Office Building, 915 Harrison, Topeka 66612. Written comments may be sent

to the above address.

An open meeting will be at 9 a.m. Tuesday, August 6, in the conference room, Staff Development, 300 S.W. Oakley, Topeka.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, September 24, in the Tucson Room of the Doubletree Hotel, 10100 College Blvd., Overland Park, to consider the adoption of a proposed amendment to regulations 86-1-4, 86-1-11, 86-3-10, and 86-3-21.

This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Kansas Real Estate Commission, Room 501, Landon State Office Building, 900 S.W. Jackson, Topeka 66612-1220. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows.

K.A.R. 86-1-4—amended to define the renewal date as being the last calendar day of the month preceding the license expiration date instead of 30 days prior to the license expiration date. There are no anticipated costs to either state agencies or real estate licensees as a result of this change.

K.A.R. 86-1-11—amended to implement the statutory change which reduces the first-renewal requirement for new salespersons from 50 to 30 hours. Based on an average cost per classroom hour of \$10, this is estimated to be a savings of \$200 to each salesperson. The regulation is also amended to limit the number of hours credit that a licensee may receive during any renewal period for real estate appraisal courses.

K.A.R. 86-3-10—amended to reduce retention of records from five years to three years. The amendment may benefit brokers; however, the amount of cost savings cannot be estimated.

K.A.R. 86-3-21—amended to delete language that is now contained in the statute. There are no anticipated costs to either state agencies or real estate licensees as a result of the change.

Copies of the regulations and their economic impact statements may be obtained from the Kansas Real Estate Commission at the address above, (913) 296-3411.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Thursday, August 29, in the auditorium of the State Historical Society, 120 W. 10th, Topeka, to consider the adoption and amendment of temporary and per-

manent regulations.

All interested parties may submit written comments prior to the hearing to the director of the Division of Workers Compensation, 600 Merchants Bank Tower, 800 S.W. Jackson, Topeka 66612-1227. The 30 days before the hearing will be considered a public comment period. All interested parties will be given a reasonable opportunity at the hearing to orally express their views in regard to the adoption of the proposed temporary and permanent regulations. Following the hearing, all oral and written comments submitted by interested parties will be considered by the director as a basis for making any changes to the proposed regulations.

Following is a brief summary of the proposed

regulations:

K.A.R. 51-24-1—Vocational Rehabilitation—The proposed changes reflect changes in agency procedures to carry out the directives of 1987 legislation and of the past two legislation sessions. Updates clarify the referral process and outline the role of the rehabilitation administrator in coordinating the effort between state and private rehabilitation and the insurance industry.

K.A.R. 51-24-5—Qualifications and Duties of a Vendor—The proposed changes add a statement requiring the vendor to acknowledge its requirements to comply with the professional standards of conduct adopted by

the director.

K.A.R. 51-24-8—Standards of Conduct for Vocational Rehabilitation Vendors and Vocational Rehabilitation Professionals—The proposed new rule establishes professional standards of conduct that each vendor and rehabilitation professional must follow when performing rehabilitation services for claimants referred under the Workers Compensation Act.

K.A.R. 51-24-9—Procedure for Reviewing and Processing Complaints of Violations of Standards of Conduct—The proposed new rule establishes a written procedure for receiving complaints of alleged misconduct and establishes a procedure for the division to follow when investigating complaints of misconduct.

K.A.R. 51-24-9—Penalties for Violations of Standards of Conduct—The proposed changes establish possible disciplinary action the director may take when a rehabilitation vendor and vocational rehabilitation professional are found to have violated one or more of the standards of conduct. The penalties can vary from a letter of censure to complete revocation of the respondents qualification to provide rehabilitation services under the Workers Compensation Act.

The changes are in existing rules and add additional rules establishing professional standards of conduct. There are no federal mandates that would be directly

impacted by these proposed changes.

K.A.R. 51-24-1. These changes clarify the role of the rehabilitation administrator as coordinator of rehabilitation services. There is no economic impact resulting

from these proposed changes.

K.A.R. 51-24-4. These changes require vendors to acknowledge the requirement of following the standards of conduct adopted by the director if they wish to remain qualified as a vendor approved to accept rehabilitation referrals. There is no economic impact

resulting from adopting this rule change.

K.A.R. 51-24-8. These changes establish a written standard of conduct for vocational rehabilitation vendors and vocational rehabilitation professionals approved by the director to provide rehabilitation services to workers compensation claimants. There is no economic impact to the division by passage of these proposed standards. There may be a slight cost to the vendors for providing training to their staff to ensure compliance with those standards of conduct.

K.A.R. 51-24-9. This change establishes a procedure for receiving and processing complaints made against vendors and rehabilitation professionals. There may be a slight fiscal impact to the division for the case reaching an evidentiary hearing level. There will be cost for a certified shorthand reporter where there is a decision to discipline the respondent. Cost of transcribing those recordings will be the responsibility of the respondent if they are found to have violated a written standard. There will also be cost to the parties involved in the complaint in order to participate in the review process.

K.A.R. 51-24-10. This new section establishes possible disciplinary measures for respondents found in violation of the standards of professional conduct. There is no fiscal impact to the division. There will be a definite fiscal impact on any vendor or rehabilitation professional who is found to have violated the standards of conduct, and that there had been a decision to either suspend or revoke their qualifications to provide rehabilitation services to workers compensation claimants in need of rehabilitation services.

Copies of the full text of proposed regulations and the fiscal impact statement may be obtained by writing the director of the Division of Workers Compensation, 600 Merchants Bank Tower, 800 S.W. Jackson, Topeka 66612-1227.

In our opinion, the justification statement should be more than a reiteration of the subject. The KOMA does not require the justification statement to be so detailed that it negates the usefulness of an executive session. However, K.S.A. 75-4319(a)(2) requires a justification statement to be contained in the motion, and it is our opinion that this statement should explain why an executive session is necessary or desirable. Such a motion gives the public assurance that the executive session is permissible and in the public interest, and may remind the members of the public body of the limitations upon and purpose served by the executive session discussion. Board of Regents

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 10 a.m. Thursday, August 29, in the board room of the State Board of Regents, Suite 609, Capitol Tower, Topeka, to consider the adoption of amendments to permanent regulations of the board.

All interested parties may submit written comments prior to the hearing to Ted D. Ayres, General Counsel, Board of Regents, 400 S.W. 8th, Topeka 66603. All interested parties will be given a reasonable opportunity at the hearing to present their views orally on the adoption of the proposed amendments to the regulations. In order to give all parties an opportunity to express their views, it may be necessary to request each participant to limit oral presentation to five minutes.

This 30-day notice constitutes a public comment period for the purpose of receiving written public com-

ments on the proposed regulations.

K.A.R. 88-2-1, 88-2-2, 88-2-3, 88-2-4, 88-3-1, 88-3-2, 88-3-3, 88-3-5, 88-3-8, 88-3-9, 88-3-10, 88-3-11 and 88-3-12 are being updated and revised. These regulations are intended to implement the requirements of K.S.A. 76-729 and 76-730, as amended by 1991 Senate Bill No. 21. The regulations set forth the requirements and guidelines for making distinctions between residents and non-residents of Kansas for student tuition purposes at the state educational institutions of Kansas.

Generally, the regulations are being revised to clarify, improve, update and degenderize. K.A.R. 88-2-4 and K.A.R. 88-3-1 have been revised to reflect changes suggested by the Supreme Court in *Peck v. University Residence Committee of Kansas State University v. The Kan-*

sas Board of Regents, 248 Kan. 450 (1991).

K.A.R. 88-3-10 has been revised to specifically implement the provisions of Senate Bill No. 21 in reference to the eligibility of certain high school graduates to qualify for the resident fee privilege even though a non-resident of Kansas. Senate Bill No. 21 was intended to prevent certain perceived abuses in regard to this particular exception and it is expected that fewer individuals will now qualify for the resident fee privilege in this category.

K.A.R. 88-3-12 is being revised to likewise reflect revisions required by Senate Bill 21. This regulation relates to military personnel who retire or who are discharged from military service while in Kansas. Certain aspects of Senate Bill No. 21 are restrictive and some are intended to provide more flexibility, with the bottom line being that a few more individuals will probably qualify for the resident fee privilege than

before.

The number of people who may be impacted by the revisions required by Senate Bill No. 21 cannot reasonably be estimated at this time, although it is anticipated that the number will be relatively small. It is not expected that there will be any increase in costs to the Board of Regents, and the institutions governed

by the board may benefit from increased tuition receipts and/or enrollment by individuals who would not otherwise do so. No other costs to the public are anticipated.

Copies of the proposed regulations and the economic impact statement may be obtained by contacting Ted

D. Ayres at the address above, (913) 296-3689.

Doc. No. 010883

State of Kansas

Department of Revenue Division of Taxation

Public Notice

The Kansas Department of Revenue has been asked whether the retail sales of weed herbicides to farmers and ranchers would be subject to the Kansas retailers' sales tax. K.S.A. 79-3603(a) imposes a sales tax "at the rate of 4.25% upon the gross receipts received from the sale of tangible personal property at retail within this state." Therefore, unless specifically exempt, all sales of tangible personal property at retail in this state are subject to the Kansas retailers' sales tax.

K.S.A. 79-3606(n) exempts from sales tax "all sales of tangible personal property which is consumed in the production, manufacture, processing, mining, drilling, refining or compounding of tangible personal property, the providing of services or the irrigation of crops for ultimate sale at retail within or without the state of Kansas; and any purchaser of such property may obtain from the director of taxation and furnish to the supplier an exemption certificate number for tangible personal property for consumption in such production, manufacture, processing, mining, drilling, refining, compounding, irrigation and in providing such services."

The Director of Taxation has determined that retail sales of weed herbicides which are sprayed or applied to crops, crop land, pasture grass and/or range land grass used for grazing commercial livestock are exempt from sales tax pursuant to K.S.A. 79-3606(n). Additionally, the service of applying such weed herbicides is also exempt pursuant to K.S.A. 79-3606(n). These sales and services are deemed to be consumed in the production of crops or livestock.

Retail sales of any type of herbicide used in any other manner than that described above are subject to

sales tax.

Additional questions regarding this notice should be directed to the Kansas Department of Revenue, Tax Policy Group, Docking State Office Building, Topeka 66625-0001, (913) 296-5476.

Alisa M. Dotson Director of Taxation

Department of Revenue Division of Taxation

Public Notice

The Kansas Department of Revenue has been asked whether services rendered to remove hazardous waste, asbestos and PCB (polychlorinated biphenyl) are sub-

ject to the Kansas retailers' sales tax.

K.S.A. 79-3603(q) imposes a sales tax "upon the gross receipts received for the service of repairing, servicing, altering or maintaining tangible personal property. . . . The tax imposed by this subsection shall be applicable to the services of repairing, servicing, altering or maintaining an item of tangible personal property which has been and is fastened to, connected with or built into real property."

K.A.R. 92-19-66b(i) states in part: "Services performed to dismantle, demolish, raze or destroy a building or facility or a portion of a building or facility shall be subject to sales tax. If the services are performed in connection with the *original construction* of a building or facility, and the building or facility is constructed on the same site, the service of dismantling, demolishing, razing or destroying the original building or

facility shall not be subject to sales tax."

K.S.A. 79-3603(p)(1) states in part: "Original construction shall mean . . . the restoration, reconstruction or replacement of a building or facility damaged or destroyed by fire, flood, tornado, lightning, explosion or earthquake, but such term shall not include replacement, remodeling, restoration, renovation or reconstruction under any other circumstances."

Pursuant to K.A.R. 92-19-66b(d), the erection of a building or a facility on a site previously occupied by a building or facility which has been demolished, razed or dismantled shall be considered to be original construction if the building or facility is totally new, regardless of whether the old foundation was also

demolished.

In summary, the service charges for removing hazardous waste, asbestos and PCB are subject to the appropriate Kansas sales tax, unless the building or facility was damaged by fire, flood, tornado, lightning, explosion or earthquake, and such building or facility was restored, reconstructed or replaced. However, if the service charges are in conjunction with the complete demolition of a building or facility, and a new building or facility is constructed on the same site, then such services would be exempt from sales tax in the state of Kansas.

If you have any questions concerning this notice, you may direct your inquiries to the Kansas Department of Revenue, Tax Policy Group, Docking State Office Building, Topeka 66625-0001, (913) 296-5476.

Doc. No. 010899

State of Kansas

Department of Revenue Division of Taxation

Public Notice

The Kansas Department of Revenue has been asked whether sales of all terrain vehicles and dirt bikes qualify as farm machinery and equipment for purposes of the sales tax exemption contained in K,S.A. 79-3606(u).

K.S.A. 79-3606(u) exempts from sales tax "all sales of farm machinery and equipment, repair and replacement parts therefore and services performed in the repair and maintenance of such machinery and equipment. For the purposes of this subsection the term 'farm machinery and equipment' shall not include any passenger vehicle, truck, truck tractor, trailer, semitrailer or pole trailer, other than a farm trailer, as such terms are defined by K.S.A. 8-126 and amendments thereto. Each purchaser of farm machinery or equipment exempted herein must certify in writing on the copy of the invoice or sales ticket to be retained by the seller that the farm machinery or equipment purchased will be used only in farming or ranching. Farming or ranching shall include the operation of a feedlot and farm and ranch work for hire."

K.A.R. 92-19-32(b)(1) states in part: "'Farm machinery and equipment' shall mean machinery and equipment purchased by a farmer or rancher... which is ordinary and necessary for the growing or raising of agricultural products. Farm machinery and equipment shall not include disposable supplies, buildings, building materials, silos, fence, fencing materials, land, all terrain vehicles, passenger motor vehicles, trucks, truck tractors, trailers, semitrailers, and pole trailers, other than a farm trailer."

Therefore, a purchaser may not give and a retailer may not accept an agricultural exemption certificate to exempt the sale of all terrain vehicles and dirt bikes from Kansas sales tax as farm machinery and equipment. Retail sales of all terrain vehicles and dirt bikes to residents of another state are subject to Kansas sales tax when delivery is taken in this state. It is immaterial that the buyer may subsequently transport the all terrain vehicle or dirt bike out of state or that the buyer's home state exempts such sales.

If you have any questions concerning this notice, you may direct your inquiries to the Kansas Department of Revenue, Tax Policy Group, Docking State Office Building, Topeka 66625-0001, (913) 296-5476.

Notice of Bond Sale \$504,747.90 City of Ness City, Kansas General Obligation Bonds Series 1991 (Internal Improvements)

Sealed Bids

Sealed bids for the purchase of \$504,747.90 principal amount of General Obligation Bonds, Series 1991 (Internal Improvements), of the city hereinafter described, will be received by the undersigned, city clerk of the city of Ness City, Kansas, on behalf of the governing body of the city at City Hall, 109 S. Iowa, Ness City, until 7:30 p.m. C.D.T. Tuesday, August 6, 1991. All bids will be publicly opened and read at said time and place and will be acted upon by the city immediately thereafter. No oral or auction bids will be considered.

Bond Details

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000, or any integral multiple thereof. The bonds shall be dated August 1, 1991, and will become due serially on August 1 in the years as follows:

Year	Principal Amount
1992	\$34,747.90
1993	40,000.00
1994	45,000.00
1995	45,000.00
1996	50,000.00
1997	50,000.00
1998	55,000.00
1999	60,000.00
2000	60,000.00
2001	65,000.00

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on February 1 and August 1 in each year, beginning on February 1, 1992.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8th or 1/20th of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Muni Week, f/k/a Credit Markets, in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city, payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the

bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on

obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable for federal income tax purposes. Interest on the bonds may also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or about September 2, 1991, at such bank or trust company in the contiguous United States of America as may be specified by the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds

affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 5 p.m. C.D.T. August 22, 1991. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 5 p.m. C.D.T. August 16, 1991, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$10,095, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall, at the option of the city, be returned to the successful bidder or deducted from the purchase price. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city. The city reserves the right to pursue any consequential damages as a result of such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may

(continued)

cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at city hall and must be received by the undersigned prior to 7:30 p.m. C.D.T. Tuesday, August 6, 1991.

Date and Delivery of Preliminary and Final Official Statement

The city has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Ex-

change Commission.

The preliminary official statement, when amended to include the interest rates specified by the underwriter and the price or yield at which the underwriter will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the city will provide without cost to the purchaser a reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the underwriter's expense. If the sale of the bonds are awarded to a syndicate, the city will designate the senior managing underwriter of the syndicate as its agent for purposes of distributing copies of the final official statement to each participating underwriter. Any underwriter executing and delivering a bid form with respect to the bonds agrees thereby that if its bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating underwriters for the purpose of assuring the receipt and distribution by each such participating underwriter of the final official statement.

The city will deliver to the underwriter on the date of delivery of the bonds a certificate executed by the mayor and the city clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the city's preliminary official statement relating to the bonds may be obtained from the city clerk or the city's financial advisor, J. O. Davidson & Associates, Inc., 420 E. English, Suite B, Wichita, KS 67201, Attn: Jerry Rayl, (316) 265-9411.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1990 is \$4,894,752. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$1,420,747.90, including, as of the date of the bonds, temporary notes outstanding in the principal amount of \$475,000, which will be retired out of the proceeds of the bonds herein offered for sale, with

the balance being payable from other lawfully available funds of the city. In accordance with the financial advisor's agreement with the city, the financial advisor will be submitting a bid or participating in a group submitting a bid for the purchase of the bonds.

Notice of Call for Redemption
City of Newton, Kansas
Industrial Revenue Bonds
(Newton Truck Maintenance Center, a Partnership)
Series S-1981, Dated September 1, 1981

Notice is hereby given pursuant to the provisions of Section 4(c) of Ordinance No. 3576 of the city of Newton, Kansas, the above mentioned term coupon bonds numbered 29, 34, 35, 36, 37, 48, 51, 53, 56, 59, 60 and 66 maturing on September 1, 1992, have been called for redemption and payment on September 1, 1991, at the offices of the Southwest National Bank of Wichita, Trust Department, P.O. Box 1401, Wichita, KS 67201.

On such redemption date there shall become due and payable on each of the above mentioned bonds the redemption price thereof equal to 100 percent of the principal amount of each bond together with interest accrued to the redemption date (upon presentation and surrender of each such bond and all appurtenant coupons). Interest shall cease to accrue on the bonds from and after September 1, 1991, and interest coupons maturing after September 1, 1991, shall be void. Please submit bonds to the paying agent two weeks prior to September 1, 1991, to allow adequate time for processing payments.

Under the provisions of the Interest and Dividend Tax Compliance Act of 1983, paying agents making payments of interest or principal on corporate securities or making payments of principal on municipal securities may be obligated to withhold a 20 percent tax from remittances to individuals who have failed to furnish the paying agent with a valid taxpayer identification number. Holder of the above-described securities who wish to avoid the imposition of this tax should submit certified taxpayer identification numbers when presenting their securities for collection.

Notice of Proposed Redemption Airport Facilities Revenue Bonds (Wichita Airport Hotel Associates) \$5,750,000 Series B, 1980, Dated June 1, 1980 Wichita Airport Authority of the

City of Wichita, Kansas

Subject to the provisions of the resolution authorizing issuance of the above referenced bonds, notice is hereby given that pursuant to the resolution of the Wichita Airport Authority of the city of Wichita, Kansas, that all of the Authority's outstanding Airport Facilities Revenue Bonds, Series B, 1980, issued in the aggregate principal amount of \$5,750,000, of which \$820,000 remains outstanding, maturing on and after March 1, 1992, will be redeemed and prepaid on September 1, 1991 (the redemption date), prior to their respective maturities, subject to the provisions and limitations set forth herein.

This notice of proposed redemption, and the payment of the principal of and interest on the aforesaid outstanding bonds on September 1, 1991, are subject to the issuance and delivery by the Authority of its Airport Facilities Refunding Bonds on or before such redemption date in an amount sufficient to provide funds to pay the specified redemption price of the outstanding bonds. In the event such refunding bonds have not been issued by the redemption date, this notice shall be null and void and of no force and effect, the outstanding bonds surrendered and delivered for redemption shall be returned to the respective owners thereof, and the outstanding bonds shall remain outstanding as though this notice of redemption had not been given.

The principal amount of the above-described outstanding bonds shall become due and payable on September 1, 1991, at a redemption price equal to the par value of the principal amount thereof, plus accrued interest thereon to said redemption date, together with a premium equal to 3 percent of the principal amount

of the outstanding bonds.

On September 1, 1991, provided that funds are on hand to pay the specified redemption price, all the outstanding bonds will be due and payable upon the surrender thereof at the principal office of Union National Bank of Wichita, Special Services, 150 N. Main, P.O. Box 637, Wichita, KS 67202, and from and after September 1, 1991, all interest on the outstanding bonds will cease to accrue. All interest coupons maturing subsequent to September 1, 1991, must be attached to and surrendered with the outstanding bonds.

Under the provisions of the Interest and Dividend Tax Compliance act of 1979, paying agents making payments of interest or principal on corporate securities or making payments of the principal of municipal securities may be obligated to withhold a 20 percent tax remittance to individuals who fail to furnish the paying agent with a valid taxpayer identification number. Holders of the outstanding bonds who wish to

avoid the imposition of this tax should submit certified taxpayer identification numbers when presenting the outstanding bonds for payment.

The method of presentation and delivery of each outstanding bond is at the option and risk of the owners thereof. If forwarded by mail, it is suggested that the outstanding bonds be sent via insured, registered mail, return receipt request.

Board of Pharmacy

Permanent Administrative Regulations

Article 7.—MISCELLANEOUS **PROVISIONS**

68-7-10. Pharmacy based drug distribution systems in adult care homes; definitions; emergency medication kits. (a) Definitions.

(1) "Adult care home" has the same meaning as set

forth in K.S.A. 39-923.

(2) "Unit dose system" means a drug distribution system which is pharmacy-based and which uses unit dose containers that enable distribution of packaged doses in a manner that preserves the identity of the drug until the time of administration.

(3) "Traditional system" means a drug distribution system in which the pharmacist receives a prescription order for an individual patient and fills the prescription in any manner other than packaging individual doses

in unit dose containers.

(4) "Unit dose container" means a single or multiple unit container for articles intended for administration in single doses, directly from the container, by other than parenteral route.

(A) "Multiple unit container" means a container that permits withdrawal of successive portions of the contents without changing the strength, quality, or purity

of the remaining portion.

(B) "Single unit container" means a container that is designed to hold a quantity of a drug intended for administration as a single dose promptly after the container is opened.

(b) All pharmacy-based drug distribution systems

for adult care homes shall:

(1) Be consistent with the medication needs of the patient;

(2) conform to all federal and state laws and regulations pertaining to pharmacies; and

(3) conform to the following additional requirements:

(A) All prescriptions (unit dose or traditional) shall be dispensed from a pharmacy within a reasonable length of time after the medication is ordered.

(B) The supplying pharmacy shall be responsible for the safe delivery of drugs to a designated person or persons in the adult care home.

(C) The supplying pharmacy shall provide a method of identifying the date and quantity of medication dispensed.

(D) A patient medication profile record system shall be maintained for each adult care home patient serviced by the supplying pharmacy and shall contain the information necessary to allow the pharmacist to monitor each patient's drug therapy.

(E) All medication distribution system containers shall be labeled to permit the identification of the drug

therapy.

(c) All unit dose drug distribution systems shall, in addition to the above requirements, conform to the following requirements:

(1) All medication shall be packaged in unit dose containers as far as practicable, and the packaging shall conform to the provisions of K.A.R. 68-7-15 and 68-7-16.

(2) The pharmacist shall be responsible for filling and refilling prescriptions or practitioner's orders or both according to the directions of the practitioner by relying on the original prescription or practitioner's order or a direct copy thereof.

(3) The pharmacist shall comply with all requirements for prescription orders, including inventory and

record keeping requirements, under:

(A) The Kansas uniform controlled substances act, K.S.A. 65-4101 et seq.;

(B) the Kansas pharmacy act, K.S.A. 65-1601 et seq.;

(C) the applicable regulations in K.A.R. 68-20-1 et seq. and K.A.R. 68-1-1 et seq.; and

(D) all federal laws and regulations applicable to pre-

scriptions or medication orders.

(4) Unit dose dispensing shall take place at the address of the pharmacy providing the unit dose system.

(5) Container requirements for unit-dose distribution systems may include trays, bins, carts and locked cabinets if the requirements of K.A.R. 68-7-14 are complied with. If these options are used, all patient medication trays or drawers shall be sufficiently labeled to identify the patient.

(6) Each unit dose distribution system shall provide a verification check at the point of patient administration in order to insure proper drug utilization.

- (7) The delivery time-cycle or hours of exchange shall not be limited to a specific time, but shall depend upon the pharmacist's discretion, the needs of the adult care home, the stability of the drug, and the type of container used.
- (8) The pharmacist or a pharmacy intern under the direct supervision of a pharmacist shall have sole responsibility for dispensing under the unit dose system.

(d) Emergency medication kits.

(1) Emergency medication kits shall contain only the drugs which are generally regarded by practitioners as essential to the prompt treatment of sudden and unforeseen changes in a patient's condition which present an imminent threat to the patient's life or well-being.

(2) Drugs to be contained within emergency medication kits shall be approved by the adult care home pharmaceutical services committee (or its equivalent) composed of at least a practitioner and a pharmacist.

(3) The emergency medication kit shall conform to

the following requirements:

(A) The kit shall be supplied by a pharmacist who shall retain possession of the drug until it is administered to the patient upon the proper order of a practitioner.

(B) The kit shall be locked or sealed in a manner that obviously reveals when the kit has been opened

or tampered with.

(C) The kit shall be securely locked in a sufficiently well-constructed cabinet or cart and access to the cab-

inet or cart shall be available only to the nurse or nurses as determined by the pharmaceutical services committee or its equivalent.

(D) The kit shall have an expiration date equivalent to the earliest expiration date of drugs within the kit, but in no event more than one year after all of the

drugs were placed in the kit.

(E) All drugs contained within the emergency medication kit shall be returned to the pharmacy as soon as the kit is opened, along with the practitioner's drug order for medications administered. (Authorized by and implementing K.S.A. 65-1648; effective May 1, 1978; amended May 1, 1983; amended Sept. 9, 1991.)

Article 9.—AUTOMATED PRESCRIPTION SYSTEMS

68-9-1. Automated prescription systems. All automated prescription systems operating within this state shall comply with the following provisions:

(a) The pharmacist in charge of such a system shall:

(1) Develop a written policy and procedures manual

for control, use and operation of the system;

(2) assure that only licensed pharmacists make decisions concerning judgmental functions as stated in K.A.R. 68-2-20;

(3) be responsible for all drug information within the system;

(4) assure that complete control over the dispensing of medication is vested in licensed pharmacists;

(5) have an auxiliary procedure which shall be used for documentation of refills of all prescription orders when the system becomes inoperable. This auxiliary procedure shall insure that:

(A) refills are authorized by the original prescription

order;

(B) the maximum number of refills has not been exceeded; and

(C) all of the appropriate data is retained for on-line data entry as soon as the automated system is available

for use again;

(6) maintain a written prescription on file which preserves all information contained in the original prescription. A machine-printed supplement which provides all information necessary to comply with the law may be filed with or attached to the written prescription, if it does not obscure the required information on the original prescription;

(7) provide a method of numerically identifying each

patient's written prescription;

(8) maintain the confidentiality of prescriptions and assure that the system has adequate security and systems safeguards to prevent unauthorized access, modification or manipulation of patient medication profile data; and

(9) maintain a written prescription daily log, which may be replaced monthly with a monthly log. The daily log shall include, but not be limited to:

(A) The original prescription number;

(B) the date of the original prescription order's issuance by the practitioner;

(C) the full name and address of the patient;

(continued)

(D) the name and address of the practitioner;

(E) the practitioner's DEA registration number where required;

(F) the name, strength, dosage form, and quantity of the medication prescribed;

(G) the quantity dispensed, if different from the quantity prescribed; and

(H) the total number of refills authorized by the prescribing practitioner.

(b) Each automated prescription system shall have a method for:

(1) storing each active patient's medication profile record so that it is immediately available upon request at the practice site. Sufficient historical patient medication profile data shall be stored and made available for the pharmacist to exercise appropriate clinical judgment when dispensing the prescription;

(2) documenting that an individual pharmacist has

taken responsibility for the accuracy of:

(A) the information entered; and

(B) each authorized refilling of the prescription;

(3) drug use control which includes:(A) the ability to ascertain quantities;

(B) the exact refill data;

(C) the dates of previous refillings; and

(D) the number of refills remaining;

(4) identifying the pharmacist filling each prescription on a daily basis;

(5) handling partial fillings and refillings of prescriptions;

(6) handling compounded prescriptions;

- (7) reproducing all information within the system in written form upon authorized request within 72 hours; and
- (8) providing a label containing the information required under K.A.R. 68-7-14 and the date of the original filling of any scheduled drugs. (Authorized by K.S.A. 1990 Supp. 65-1630 and K.S.A. 65-4102; implementing K.S.A. 1990 Supp. 65-1637, K.S.A. 1990 Supp. 65-1642, and K.S.A. 65-4121; effective May 1, 1980; amended May 1, 1989; amended April 3, 1990; amended Sept. 9, 1991.)

Article 20.—CONTROLLED SUBSTANCES

68-20-15a. Security requirements. (a) General security requirements. Every applicant and registrant shall provide effective controls and procedures to guard against theft and diversion of controlled substances in conformance with the security requirements of federal law, including the requirements prescribed in part 1301.71 of title 21 of the code of federal regulations, April 1, 1990.

(b) Physical security controls for nonpractitioners shall comply with the requirements prescribed in part 1301.72 and 1301.73 of title 21 of the code of federal

regulations, April 1, 1990.

(c) Other security controls for nonpractitioners.

(1) Good faith inquiry. Before distributing a controlled substance to any person who the registrant does not know to be registered to possess a controlled substance, the registrant shall make a good faith inquiry

with the board to determine that the person is registered to possess a controlled substance.

(2) Suspicious orders. The registrant shall design an operative system to disclose to the registrant any suspicious orders of controlled substances. The registrant shall inform the board of suspicious orders when discovered. Suspicious orders shall include orders of unusual size, orders deviating from a normal pattern and orders of unusual frequency.

(3) Any controlled substance listed in schedules II through V shall not be distributed on a gratuitous basis by a distributor to a practitioner, pharmacist or any

other person.

(d) Physical security controls for practitioners. All practitioners shall provide effective controls and procedures to guard against theft and diversion of controlled substances in conformance with the security requirements of federal law, including requirements prescribed in part 1301.75 and 1301.76 of title 21 of the code of federal regulations, April 1, 1990.

(e) Other security controls for practitioners.

(1) In order to minimize the opportunities for diversion of controlled substances, practitioners shall provide effective physical security, shall initiate additional procedures to reduce access by unauthorized personnel and shall provide an alarm system if necessary.

(2) Minimum security standards for practitioners as set forth in these regulations shall be considered as guidelines to be used in evaluating security. The board may require additional security controls and operating procedures to prevent diversion of controlled substances. (Authorized by K.S.A. 65-4102; implementing K.S.A. 1990 Supp. 65-4116; effective May 1, 1983; amended May 1, 1988; amended Sept. 9, 1991.)

68-20-18. Information concerning prescriptions. (a) Persons entitled to issue prescriptions. A prescription for a controlled substance may be issued only by a practitioner who is:

(1) Legally authorized to prescribe controlled substances in Kansas or any other competent jurisdiction;

(2) either registered or exempted from registration under K.S.A. 65-4116(d).

(b) Purpose of issue of prescription.

(1) To be effective, a prescription for a controlled substance must be issued for a legitimate medical purpose by a practitioner acting in the usual course of his professional practice. The responsibility for the proper prescribing and dispensing of controlled substances is upon the prescribing practitioner, but a corresponding responsibility rests with the pharmacist who fills the prescription. The person filling an unlawful prescription, as well as the person issuing it, shall be subject to the penalties provided for violations of the provisions of law relating to controlled substances.

(2) A prescription shall not be issued in order for a practitioner to obtain controlled substances for supplying himself or any other practitioner for the purpose

of general dispensing to patients.

(3) A prescription shall not be issued for the dis-

pensing of narcotic drugs listed, in any schedule, to a narcotic drug dependent person for the purpose of continuing his dependence upon such drugs, except in the course of conducting an authorized clinical investigation in the development of a narcotic addict rehabilitation program.

(c) Manner of issuance of prescriptions.

(1) All written prescriptions for controlled substances shall be dated and manually signed on the day issued, shall bear the full name, address, registration number of the practitioner, name and address of the patient and shall be written with ink, indelible pencil or typewriter. A practitioner shall manually sign a prescription in the same manner as he would sign a check or legal document. The prescriptions may be prepared by a secretary or agent for the signature of a practitioner, but the prescribing practitioner is responsible if the prescription does not conform in all essential respects to the state and federal law and regulations. A corresponding liability rests upon the pharmacist who fills a prescription which is not prepared in the form prescribed by these regulations.

(2) An intern, resident, foreign physician, or foreign medical graduate exempted from registration under K.S.A. 65-4116(d) shall include on all prescriptions is sued the registration number of the hospital or other institution and the special internal code number assigned to the intern, resident, foreign physician, or foreign medical graduate by the hospital or other institution as provided in paragraphs 68-20-10(D) (2) (e) and (f) of these regulations. This requirement is in lieu of the registration number of the practitioner otherwise required by this section. Each prescription shall have the name of the intern, resident, foreign physician, or foreign medical graduate stamped or printed on it, as

well as the signature of the physician.

(3) An official exempted from registration under paragraph 68-20-10(E) of these regulations shall include on all prescriptions issued, his branch of service or agency and his service identification number. This requirement is in lieu of the registration number of the practitioner otherwise required by this section. The service identification number for a public health service employee is his social security identification number. Each prescription shall have the name of the officer stamped or printed on it, as well as the signature of the officer.

(d) Persons entitled to fill prescriptions.

(1) A prescription for controlled substances may only be filled by:

(A) a pharmacist acting in the usual course of his professional practice in a registered pharmacy, hospital drug room, or other registered place of employment; or

(B) a pharmacist intern acting under the immediate personal direction and supervision of a licensed

pharmacist.

(2) For the purposes of this regulation, an intern shall mean a prospective candidate for examination as a licensed pharmacist who is qualified to receive, and is obtaining, pharmaceutical experience as required by law.

(3) A medical care facility or other institution registered with the board may administer or dispense directly a controlled substance listed in schedules III and IV and legend V only pursuant to a written prescription signed by the prescribing practitioner or to an order for medication made by a practitioner which is dispensed for immediate administration to the ultimate

(e) Dispensing of narcotic drugs for maintenance purposes. The administering or direct dispensing of narcotic drugs listed in any schedule to a narcotic drug dependent person for the purpose of continuing his dependence upon such drugs in the course of conducting a federally authorized clinical investigation in the development of a narcotic addict rehabilitation program shall be deemed to be within the meaning of the term "in the course of professional practice or research," of K.S.A. 65-4102(v). (Authorized by K.S.A. 1990 Supp. 65-4123; effective, E-72-24, Aug. 25, 1972; effective Jan. 1, 1973; amended May 1, 1988; amended Sept. 9, 1991.)

68-20-19. Controlled substances listed in sched-

ule II. (a) Requirements of prescription.

(1) A pharmacist may dispense a controlled substance listed in schedule II, which is a prescription drug as determined under these regulations only pursuant to a written prescription signed by the prescribing practitioner, except as provided in paragraph (4) of this section.

(2) Any written prescriptions signed by the prescribing practitioner falling under the provisions of paragraph (1) above, shall not be filled if submitted more than seven days after the original date appearing on

the written prescription.

(3) A practitioner may administer or dispense a controlled substance listed in schedule II in the course of his professional practice without a prescription, subject to K.A.R. 68-20-18.

(4) In the case of an emergency situation, as defined by paragraph (5) of this section, a pharmacist may dispense a controlled substance listed in schedule II upon receiving oral authorization of a prescribing practitioner, provided that:

(A) The quantity prescribed and dispensed is limited to the amount adequate to treat the patient during an emergency period of 72 hours (dispensing beyond the emergency period must be pursuant to a written prescription signed by the prescribing practitioner);

(B) The prescription shall be immediately reduced to writing by the pharmacist and shall contain all information required under K.A.R. 68-20-18(c) except for

the signature of the prescribing practitioner;

(C) If the prescribing practitioner is not known to the pharmacist, the pharmacist shall make a reasonable effort to determine that the oral authorization came from a licensed practitioner, which may include a callback to the prescribing practitioner using the practitioner's phone number as listed in the telephone directory or other good faith efforts to insure the identity; and

(D) within 72 hours after authorizing an emergency

(continued)

oral prescription, the prescribing practitioner shall deliver a written prescription for the emergency quantity prescribed to the dispensing pharmacist. In addition to conforming to the requirements of K.A.R. 68-20-18(c), this prescription shall have written on its face "Authorization for Emergency Dispensing" and the date of the oral order. The written prescription may be delivered to the pharmacist in person or by mail. but if delivered by mail it must be postmarked within the 72 hour period. Upon receipt, the dispensing pharmacist shall attach this prescription to the pharmacist's record of the emergency oral prescription. The pharmacist shall notify the nearest office of the drug enforcement administration or the board if the prescribing individual fails to deliver a written prescription to the pharmacist; failure of the pharmacist to do so shall void the authority conferred by this paragraph to dispense without a written prescription of a prescribing practitioner.

(5) For the purposes of authorizing an oral prescription of a controlled substance listed in schedule II of the federal or state uniform controlled substances act, the term "emergency situation" means those situations in which the prescribing practitioner determines:

(A) that immediate administration of the controlled substance is necessary for the proper treatment of the

intended ultimate user;

(B) that no appropriate alternative treatment is available, including administration of a drug which is not a controlled substance under schedule II of the act; and

(C) that it is not reasonably possible for the prescribing practitioner to provide a written prescription to be presented to the person dispensing the substance

prior to the dispensing.

- (b) A medical care facility or other institution registered with the board may administer or dispense a controlled substance listed in schedule II only pursuant to a written prescription signed by the prescribing practitioner or to an order for medication made by a practitioner which is dispensed for immediate administration to the ultimate user.
- (c) Partial filling of prescriptions. The partial filling of a prescription for a controlled substance listed in schedule II is permissible, only in the following situations:
- (1) Where the pharmacist is unable to supply the full quantity called for in a written or emergency oral prescription and the pharmacist makes a notation of the quantity supplied on the face of the written prescription or written record of the emergency oral prescription.

(A) The remaining portion of the prescription shall be filled within 72 hours of the first partial filling;

however, if the remaining portion is not or cannot be filled within the 72 hour period, the pharmacist shall so notify the prescribing practitioner.

(B) No further quantity may be supplied beyond 72

hours without a new prescription.

(2) Where written, prescriptions for schedule II controlled substances for patients receiving parenteral solutions may be filled in partial quantities, including

individual dosage units.

- (A) For each partial filling, the dispensing pharmacist shall record on the back of the prescription, or on another appropriate, uniformly maintained, and readily retrievable record, the date of the partial filling, quantity dispensed, remaining quantity authorized to be dispensed and the identification of the dispensing pharmacist.
- (B) The total quantity of schedule II controlled substances dispensed in all partial fillings shall not exceed

the total quantity prescribed.

- (C) Such schedule II prescriptions shall be valid for a period not to exceed 60 days from the issue date unless sooner terminated by the discontinuance of medication.
- (d) Labeling of substances. The pharmacist filling a written or emergency oral prescription for a controlled substance listed in schedule II shall affix a label to the package showing:

(1) the date of filling;

- (2) the pharmacy name and address;
- (3) the serial number of the prescription;

(4) the name of the patient;

(5) the name of the prescribing practitioner; and

(6) the directions for use and cautionary statements, if any, contained in such prescription or required by law.

(e) Filing of prescriptions.

- (1) All written prescriptions and written records of emergency oral prescriptions shall be kept in accordance with K.A.R. 68-20-16.
- (2) All written or emergency oral prescriptions for a controlled substance listed in schedule II must be cancelled on the face of the prescription with the name

of the pharmacist filling that prescription.

(3) All written or emergency oral prescriptions for controlled substances listed in schedule II and filled by an intern must be cancelled on the face of the prescription with the name of the intern and preceptor authorizing the filling of that prescription. (Authorized by and implementing K.S.A. 65-4123; effective, E-72-24, Aug. 25, 1972; effective Jan. 1, 1973; amended Sept. 9, 1991.)

We are pleased to announce that custom-made Kansas Register binders are now available!

These binders will hold your copies of the Kansas Register attractively for permanent use. They are highest quality, durable, casebound Swing Hinge® binders made by McBee Loose Leaf Binder Products. (A Swing Hinge® binder has more capacity and allows for easier interfiling than standard ring binders.) They feature dark blue cloth covering and gold imprinting. Each three-inch binder will hold up to a year's worth of Register issues.

Order your binders today!
